

California Society of Tax Consultants

Foothill Chapter

May 2010

Our Mission: *To promote professionalism by providing quality educational events for tax professionals, creating and encouraging networking opportunities for members, & advocating professional standards & positions within the tax industry.*

President's Message

When you attend our dinner meetings the 1st Thursday of each month, you receive two hours of Education Credit. CSTC as a State Wide Society has a goal of 2012 members by year 2012. CSTC member in good standing who bring in a new member will receive a \$25.00 Education Voucher from the Society. Members, when you give somebody an application form, be sure your name is on it so you receive the voucher. This is for each member you bring in. Lets all work together to achieve the goal "2012 by 2012".

I just want to remind you, CSTC Society has a web site. This has all Chapter and Society events posted (even ours), Internet resources for use in your tax practice and other tax related information. Go on line at www.cstcsociety.org.

If you want to prepay your meeting for 2010, the price is \$180.00. If you have not prepaid yet, bring you check to the May 6, 2010 meeting.

Here are a couple of reminders of coming events. The IRS is requiring the registration of all tax practitioners. You will need to apply for your PTIN number. You may do this online using the e-services PTIN process on the IRS website at www.irs.gov. Our Society is offering online courses. They are planning on adding an EA cram course. Go to www.cstcsociety.org and check this out.

If you are receiving this newsletter via mail, but have an e-mail address, e-mail me your address. carmkep@aol.com

Thank you all for your participation.
Carmen
