Tax Season Sunday Brunch

Enjoy getting together with fellow tax practitioners to share your unique experiences during the 2018 Tax Preparation Season.

We'll each order off of Mimi's delicious menu. Be sure to bring your questions, complications, queries, forms, pubs, software issues, and so forth. Perhaps bring along your copy of TheTaxBook® or Quickfinder® Handbook to help lookup some answers. These brunches are an excellent opportunity to invite your non-member colleagues and friends, to a CSTC event!
